March 13, 2020

Dear Ted Reeve Players and Families,

Due to increasing concerns about COVID-19, Hockey Canada has cancelled all Hockey Canada-sanctioned activities across the country until further notice effective Friday March 13, 2020.

This includes ALL House League, NYHL, and GTHL games and practices. It also includes any events including parties and championship day.

Please see the full press release here:

We are greatly saddened by this news and know that it is a huge disappointment to all of our players, coaches, team staff, and volunteers. However, this is necessary to protect our hockey community during this difficult time.

I'm sure there are many questions and we will continue to provide updates as we receive them from Hockey Canada. We are awaiting direction regarding Spring and Fall tryouts and will communicate information as we receive it.

Sincerely,

Stephen King
President, Ted Reeve Hockey Association
